BUILDING

Dedication

To the farmers, merchants, and industries of our community, who have given of their service, their cooperation, and their time, we dedicate this 1954 annual, "The Bulldog."

These your gifts, which have meant so much throughout the years in building a greater M. H. S. have also helped the morals of the students and guided them in their quest for learning and acquiring good citizenship.

With sincere appreciation, respect, and gratitude that are so rightfully due you, we extend our sincere thanks.

The Staff.
